**Ask us about our \$2 million Challenge Grant!*

HEALDSBURG DISTRICT HOSPITAL CAMPAIGN

Serving our community –
Windsor, Healdsburg, Geyserville and Cloverdale

Our goal is to have 1000 bricks engraved with the names of our friends and family in the new Friendship Garden and now, every donation, including the purchase of a brick, helps to meet the *\$2 million Challenge Grant.

We hope you will be among them.

Please show your support for this community campaign benefitting Healdsburg District Hospital with your gift of \$250. We will engrave your name, or the names of someone you wish to honor, on a brick to be placed in the new Friendship Garden to be located near the hospital entrance.

On behalf of the Healthcare Foundation Northern Sonoma County thank you for your support.

Sincerely,
